## *History*

Costas Provisions Corp is a foodservice distribution company established in 1986 by two ambitious, hard-working, and dedicated friends. The company began as a distributor of wholesale foods to the local Boston area pizzeria stores. Determined to provide products with the best overall value in the industry, Costas Provisions Corp. began to expand its distribution throughout New England.

As the years have gone by, Costas Provisions Corp., along with its client base, has grown, becoming the dominant force in the pizzeria industry. From its inception, the company made a decision to provide a level of customer service that is second to none. Costas Provisions Corp. has expanded its product assortment with a greater variety to serve the multitude of diverse food establishments such as pizzerias, restaurants, delis, sandwich shops, wholesale food distributors, and supermarkets.

## *Present*

Costas Provisions Corp. has made it imperative to remain in the Newmarket area of Boston, the hub of many wholesale food distributors, in order to provide only the freshest and best quality of products, both imported and domestic. We are constantly updating our non-perishable inventory to satisfy our customers' evolving needs. In addition, we operate a 25 truck fleet, dedicated to reliable and quick delivery. Our company operates out of three warehouse facilities, occupying more than 60,000 square feet of space.

Costas Provisions Corp. has dedicated employees who have extensive industry knowledge and expertise in all areas of food/paper distribution (including purchasing, warehousing, marketing, sales promotions, and logistics). With the help of our team, who are committed to customer satisfaction, we are able to help you achieve success.

**Your Success is Our Business - Our Continued Vision for the Future!**

## *Affiliation*
